Hello,

A **BIG** thank you to all who attended our first Menifee Wildlife Appreciation Day event. The event was a due in no small part to your participation. We estimate we reached approximately 600 people during th many families and children learning about and appreciating wildlife of all types. Our partners at Sierra C **Margarita Group** were able to raise money to support their ongoing education and advocacy efforts. W this event a great success in the future. If you noticed anything we can adjust or make better, we would your feedback. We look forward to working with you again in the future!

Here is an article from *Valley News* covering the event;

Hello Rose!

Thank you so much for sending help our way, because as it turns out, Lisa from Team RCD also does tab the Xerces Society for Invertebrate Conservation, and I've been trying to get someone from Xerces out the longest time! I can't believe our luck, and I feel this was just meant to be. Lisa explained to me that Xerces from tabling for both organizations, so I'm great with just having Xerces there. I feel like some kind of fa here, and you facilitated it, so thank you from the bottom of my heart.

Kind regards,
Kathryn
